DETAILED ACTION

Response to Amendment

1. The reply filed on 06/30/03 is not fully responsive to the prior Office Action because: applicant fails to elect a species as set forth in paragraph 4 of the Office Action dated 06/11/03 and provide claims readable thereon. Please also note the statement on paragraph 7:

“Due to numerous claims in the present application, this is to serve notice that failure to provide a proper election in response to this Office Action will not be considered as a bona-fide attempt.”

2. Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
